

BOARDING DEPARTMENT REPORT

As the Head of the Boarding Department, I'm pleased to share a reflection on our vibrant boarding community at Kitui school.

First and foremost, I would like to extend heartfelt appreciation to the school administration for their unwavering support and dedication to the wellbeing of our students. Their commitment to creating a safe, nurturing, and conducive environment has been instrumental in ensuring our learners thrive both academically and socially. We are especially grateful for the consistently nutritious and delicious meals that are provided—these are vital for the health, energy, and focus of our students throughout their busy schedules.

To our dear learners: your personal space is a reflection of who you are. Let's continue making our dormitories clean and comfortable by maintaining high standards of hygiene. A tidy bed, fresh air, and clean surroundings aren't just a routine—they're acts of self-respect and care for those we live with.

Boarding life offers a unique opportunity to build lasting friendships and learn from one another. I encourage each one of you to embrace your roommates and dorm mates with kindness, understanding, and cooperation. Our diversity is our strength—let's celebrate it by creating dorms filled with respect, laughter, and support.

Let us carry forward this spirit of unity and cleanliness, making the boarding department a true home away from home. Here's to continued growth and togetherness.

Mr Mbithuka,

Head of Boarding Department

MESSAGE FROM THE CHAIRMAN, BOARD OF MANAGEMENT

It is my pleasure to share a message with you in this issue of our school magazine, as Chairman of the Board of Management.

We extend our deepest gratitude to the Government of Kenya for its steadfast commitment to education. Through generous capitation and the deployment of adequate staffing, our school has continued to grow and thrive. These resources have played a key role in enhancing the quality of teaching and learning in our institution.

I am grateful to **the president of Kenya, His Excellence Dr. William Ruto** for his generous support in financing key projects that have transformed our school. Firstly, I thank His Excellency for the construction of **state-of-the-art laboratories**. These modern science labs have greatly enhanced our school learning environment. This has not only improved performance in science subjects but also inspired many to pursue careers in medicine, engineering, and technology.

Secondly, I express our sincere gratitude to him for the **construction of a water tower** .Thanks for this initiative.we now have access to clean and reliable water throughout the day .This has improved hygiene ,supported agricultural projects, and contributed to a healthier school community.

Your Excellency, your investment in education is an investment in the future of this nation. on behalf of the entire **Kitui school community**, we say thank you for your visionary leadership and continued support .May God bless.

To our devoted parents, we thank you sincerely for standing alongside us. Your timely payment of school fees and enthusiastic participation in our programs have contributed significantly to the progress of our learners and the development of the school as a whole. Your partnership is deeply valued.

To the teachers, we recognize and applaud your dedication, professionalism, and unwavering guidance. Your work in nurturing holistic, well-rounded students speaks volumes. Through your efforts, our learners not only excel academically but also grow into responsible, thoughtful members of society

To our dear students, I urge you to carry yourselves with discipline and integrity. Remember, discipline is the foundation of success. Remain focused, respectful, and determined to excel in your examinations. The future belongs to those who prepare for it today.

Let us all continue working together to build an even stronger school community.

Dr. Wathe

Chairman, Board of Management

SCIENCE DEPARTMENT REPORT FOR THE SCHOOL MAGAZINE

It gives me great pleasure as the Head of the Science Department to share the tremendous strides we've made in the pursuit of academic excellence in the sciences.

Over the past few years, our students have shown remarkable enthusiasm and commitment towards the study of Biology, Chemistry, and Physics. The uptake and interest in these subjects has grown steadily, and it is evident in both the classroom and laboratory

We are proud to report that our performance has remained consistently strong, reflecting the effort and discipline of both students and staff. In the most recent results:

- Biology achieved an outstanding mean score of 9.4,
- Chemistry recorded a solid mean of 7.6, and
- Physics earned a commendable mean score of 7.85.

These results demonstrate not only academic strength but also the dedication and resilience of our learners.

I extend heartfelt gratitude to the teachers in the Science Department for their tireless efforts, exceptional teaching, and mentorship. Your professionalism and ability to inspire curiosity have contributed directly to our students' impressive outcomes.

As we celebrate these achievements, I encourage each member of the team to continue setting the bar high. Let's keep cultivating analytical minds, igniting passion for discovery, and nurturing excellence. With your continued commitment, we can look forward to even greater successes in the years ahead.

Thank you all for your incredible work and dedication.

Mrs Gabriel Lilian

Head of Science Department

MOTTO: Learn to Serve

MISSION: To provide a conducive environment for effective learning, teaching and character moulding

VISION: To be a model school and centre of Excellence

CORE VALUES:

- Student service
- Discipline and hard work
- Quality and creativity
- Integrity and honesty

- Embrace diversity and inclusion

School anthem

Lord we Kitui school adore thee,

Precious Lord our sins pardon,

Honour and glory we give to thee,

Crown all our efforts ,Lord we pray.

In all endeavours, in all all endeavours make us to be the shining star,

Kitui school, we learn to serve, crown all our efforts Lord we pray.
