The department organizes various subject activities to enhance learning and positive attitude of the learners towards the subjects. Such activities include:

- ✚ Internal contests in all the subjects
- ✚ Exposure to external contests in all the subjects
- ✚ External tours relevant to individual subjects
- ✚ Attendance of shows and exhibitions by agriculture students
- ✚ Attendance of national annual Agriculture rally by the agriculture students
- ✚ Attending the national French day by French students

To assess the level of preparedness of the learners towards KCSE, the department carries out weekly assessment of the form fours to enhance content mastery in various topics. This is done through weekly assessment tests.

This year, 2025, our candidates are well prepared for KCSE and we have the following targets:  
**Computer Studies 12.00, Agriculture 11.00, Business Studies 9.80, French 11.00**

Currently the facilities in the department include; a well-equipped computer laboratory, an ICT room, a French room, a departmental office and other subject-based offices.

With the planned enrolment of the first CBE class in 2026, the school has plans of restructuring the department to comply with the requirements of the new curriculum and also expand the learning areas offered.
